Iowa Streets and Roads Annual Conference

September 20–21, 2017
Quality Inn and Suites
2601 E 13th St, Ames, IA

About the Conference

This year's conference is sure to be one you won't want to miss! The topics presented will range from collective bargaining to interview techniques and much more! Along with a slate of several relevant presentations, you can look forward to "mousetraps and gadgets" and roundtable discussions. Attendees will have ample time to meet with their peers and many exhibitors. Visit the Streets and Roads website for a detailed agenda: www.intrans.iastate.edu/events/streets_roads

Keynote Speaker: Matt Havens

Matt Havens entered the workforce like most college graduates - bright-eyed, bushy-tailed, and ready to spend the next 40 years climbing the corporate ladder. He ultimately landed with a Fortune 50 company working in a leadership role for 10 years before realizing Corporate America has a lot to learn! Matt brings that background and couples it with a truly unprecedented ability to deliver high-quality education in an undeniably entertaining way. After all, Matt is a believer that education is the only way that we improve at anything and that we'll all improve better and faster if we enjoy the process.

Who Should Attend

All public employees are invited to attend. Secondary road and street maintenance supervisors and staff will especially benefit.
