Why Attend?

- Iowa DOT has produced Design Standards and Plan Preparation Requirements for Accessible Sidewalks
- Content Updated to the September 20, 2012 Version of the Iowa DOT Design Manual
- Accessibility of Public Rights-of-Way is Required by the 1990 Americans with Disabilities Act (ADA)
- Renewed Focus on Consistent Compliance with ADA Curb Ramp Design and Work Zone Accessibility
- Workshop will Update and Summarize the Sidewalk, Curb Ramp, and Work Zone Portions of the Iowa DOT Design Manual, and Provide Information about Plan Preparation Requirements

Who Should Attend?

This workshop will benefit state and local professionals that plan, design, inspect, and construct ADA-related facilities within the public right-of-way. State and local agency staff, consultants, and contractors are encouraged to attend.

Registration

Fee:  FREE (but, registration before the event is required)

Online registration is strongly encouraged at www.intrans.iastate.edu/events/ada/.

This website will include the number of people who can still register before the capacity of the room is reached.

Alternatively, you may email or fax the form below with all the information requested for each individual that plans to attend.

**NOTE:** Registration will be on a first-come first served basis. If the room capacity of the scheduled session is reached no more registrations will be accepted.
