   - State ____________________________________________
   - Zip Code _________________________________________
   - E-mail ____________________________________________

2. Payment and Fees
   - Special Needs and Adverse Weather
     - Fax it to 515-294-6223; or register online, www.cpm.iastate.edu/workzone.
     - Mail this completed form to ISU Registration Services, 1601 Golden Aspen Drive, Ste 110, Ames, IA 50010;
     - Questions? For information about program content, contact Keith Knapp at the Institute for Transportation, 515-294-8407. For information about registrations, contact ISU Registration Services: 515-294-8422, registration@iastate.edu.

3. Select a Workshop Participation is limited to 30 per session. Register early to get your top choice.
   - Choose the category most appropriate to your work. In that column, mark your first (1) and second (2) choices for dates you would like to attend. You will receive confirmation of your registration mailed to you at the date of your workshop. (Iowa DOT Maintenance sessions are specifically designed for Iowa DOT staff.)

4. Submit Registration By Mail, Fax, or Web Site
   - Mail the completed form to ISU Registrations Services, 1601 Golden Aspen Drive, Ste 110, Ames, IA 50010.
   - Fax it to 515-294-8422, or register online, www.cpm.iastate.edu/workzone.

5. Special Needs and Adverse Weather
   - If you need accommodations for a disability or dietary restriction or are concerned about weather cancellations, call the registration desk, 515-294-6222. Note: Becaus the workshop is scheduled for several days and locations, it is unlikely any workshop will be cancelled or postponed due to weather.

6. About the workshops
   - During January, February, and March, 2014, work zone traffic control and safety training will be offered at several Iowa venues so that workers across the state can participate conveniently. Each one-day workshop will cover current revisions in the 2009 Manual on Uniform Traffic Control Devices (MUTCD), particularly Part 6.
   - The workshops consist of a general session for all participants, plus breakout sessions tailored to specific categories of work zone activities: city, county, utility, Iowa DOT construction and contractors, and Iowa DOT maintenance. Breakout sessions are not provided for every category at every workshop; check the schedules online.

Who should attend?
- Total: $ _____________
- Check (Payable to Iowa State University)
-  Visa
-  MasterCard
-  Discover
- Card No ___________________________
- Exp Date ______________________

About this program
- This program is partially funded by the Iowa Department of Transportation, Office of Traffic and Safety, through the Traffic Safety Improvement Program pursuant to Iowa Code Section 321.235. This support helps keep the registration fee low to encourage greater participation.
- This program is coordinated by the Iowa Department of Transportation and Iowa State University’s Institute for Transportation.
- Note: The Iowa DOT Maintenance breakout sessions are specifically designed for Iowa DOT staff.

In addition to street and road agencies, contractors, consultant engineering staff, vendors, and suppliers in the road construction industry are welcome to participate and are encouraged to register for the same breakout session categories as those with whom they do business.

Workshop objectives
- To introduce the principles and convey the importance of using proven methods for safe and efficient temporary traffic control at work sites.
- To examine specific applications relevant to situations routinely encountered by city, county, utility, contractor, and Iowa DOT crews.
- To reduce serious traffic crashes and fatal crashes at work sites, resulting in greater safety for highway users and workers alike.

Questions?
- For information about program content, contact Keith Knapp at the Institute for Transportation, 515-294-8407. For information about registrations, contact ISU Registration Services: 515-294-8422, registration@iastate.edu.
