About the Midwest Transportation Center

The Midwest Transportation Center (MTC) is one of 10 [regional University Transportation Centers](#) sponsored by the Research and Innovative Technology Administration (RITA) of the U.S. DOT. The MTC is funded by the 2012 federal transportation bill, the Moving Ahead for Progress in the 21st Century Act (MAP-21).

Partner Universities

The MTC is a consortium of six universities and will include researchers and students from each:

- [Iowa State University](#) (lead university; partner leader Shauna Hallmark)
- [Creighton University in Omaha, Nebraska](#) (partner leader Ravi Nath)
- [Harris-Stowe State University in St. Louis, Missouri](#) (partner leader Fatemeh Zakery)
- [University of Missouri, Columbia in Columbia, Missouri](#) (partner leader Charles Nemmers)
- [University of Missouri, St. Louis in St. Louis, Missouri](#) (partner leader Ray Mundy)
- [Wichita State University in Wichita, Kansas](#) (partner leader Pingfeng Wang)
