Videos that Could be Used in Class to Discuss Yielding Right of Way

Reduced Conflict Intersections. Iowa Department of Transportation.
<https://iowadot.gov/modes-travel/roads-highways/highway-safety-features/reduced-conflict-intersections>

This website has several videos from the Iowa DOT that show the right way to negotiate a reduced conflict intersection.

Roundabouts. Iowa Department of Transportation.
<https://iowadot.gov/traffic/roundabouts>.

This web page from the Iowa DOT includes a video covering various aspects of roundabouts, including driving tips. It also includes two videos about the rules of driving in roundabouts. One video is from Street Smarts and is posted on this Iowa DOT roundabout page. The other video is from the FHWA about the rules of roundabouts.

Pedestrian Hybrid Beacon (PHB). Delaware Department of Transportation.
https://deldot.gov/Programs/pedestrian_signals/index.shtml?dc=hawk.

This video goes through the steps of what a driver is supposed to do when presented with the various signal indications of this device.

Navigating the Diverging Diamond Interchange. Iowa Department of Transportation.
<https://www.youtube.com/watch?v=bxkur5Wl4Ok&t=99s>

A video from the Iowa DOT that shows how to navigate a diverging diamond interchange.
