

Advancing Sustainable Solutions for Cement and Concrete Materials

A one-and-a-half-day workshop hosted by FHWA's Concrete Pavement Materials and Sustainable Pavement Programs in collaboration with the National Concrete Pavement Technology Center.

Facilitated by Migdalia Carrion and Robert Spragg.

Day 1

- 8:00 Introductions
- 8:10 Opening Remarks
 - Gina Ahlstrom, FHWA
 - LaToya Johnson, FHWA
- 8:30 Overview
 - Agenda
 - Objectives
- 8:45 Cohort Reports
 - 15-minute presentations from each cohort.*
 - Consultants; Agencies; Industry; Academia
- 10:00 Introduce Brainstorming Session for Strategies to Reduce Embodied Carbon
- 10:30 Break
- 11:00 Brainstorm Session
 - Cradle-to-gate; Construction; Use-phase
- 11:30 Compilation and Discussion
- 12:15 Lunch
- 1:15 Continue Compilation and Discussion
- 4:30 Recap of the Day and Tomorrow's Expectation
- 4:45 Adjourn

Day 2

- 8:00 Welcome and Recap
- 8:15 TRL Voting Activity
- 9:30 Break
- 10:00 Next Steps
 - R&D Needs (TRL 1-5)
 - Implementation Needs (TRL 6-9)
- 11:45 Closeout
 - Next Meeting
- 12:00 Adjourn
